Welcome

Prof. Alwyn Louw Vice-Chancellor

Welcome to Torrens University Australia.

I am delighted that you are considering studying with us. Starting your journey here is an opportunity to join a community of like-minded individuals from all over Australia and around the world.

Here at Torrens University Australia, we prepare future generations to make a positive impact through education. From future-focused courses to industry exposure to workplace preparation, we are dedicated to helping you achieve your career goals.

This Prospectus will help you make the right choices about what and where to study. You'll gain insights from our industry-leading lecturers, students and alumni. Learn how our work placements, flexible learning options and support services will help you achieve academic success.

Thanks to our strong industry partnerships, you can complete practical work experience with leading organisations here and across the globe. Building experience, skills and connections, you'll be prepared to start your dream role.

At the end of your studies, you'll graduate with an internationally recognised qualification from Torrens University Australia, opening doors to exciting career opportunities.

We look forward to supporting you as you take the next step towards your future.

Warm regards,
Professor Alwyn Louw
Vice-Chancellor

Message

“

I am a doctor from Brazil and improving my ability to speak English was fundamental in advancing my career to become a doctor in Australia.

Studying English has helped me become more confident, and I am now able to participate and communicate in group medical studies.

Due to the pandemic my plans were delayed, but I knew giving up was not an option. I hope my story can inspire others to follow their dreams.

Sou médica no Brasil e estou aplicando para me tornar médica na Austrália. Estudar inglês me ajudou a me tornar mais confiante e a participar dos grupos de estudos médicos. Aprimorar a fluência e a habilidade na língua inglesa tem sido fundamental nessa jornada. Eu deveria ter chegado na Austrália em 2020, mas devido à pandemia os planos foram adiados. Desistir não era uma opção. Eu espero que a minha história possa inspirar outras pessoas a viverem os seus sonhos.

Christiane Teixeira Vasconcellos
General English Graduate
Master of Business Administration
and Master of Public Health Student
Brazil

Why study in Australia?

Australia is one of the world's most popular destinations for international students who want to enhance their education and career prospects.

It is known for its natural beauty, cosmopolitan cities, friendly locals, cultural diversity and outdoor lifestyle. Australia's international standards in education and quality of living are underpinned by strong economic growth.

When you study in Australia, you will enjoy once-in-a-lifetime experiences, enhance your credentials with education valued by industry and expand your job prospects in a country that offers endless opportunities.

Why choose Torrens University?

With globally recognised qualifications from Torrens University, you'll be well equipped to work anywhere in the world.

We offer globally recognised undergraduate, postgraduate and research programs across a wide range of academic disciplines, delivered online and on campus in Sydney, Melbourne, Brisbane and Adelaide.

Our work is strengthened through industry partnerships and collaborations with leading research, sporting and government organisations.

40,000+ alumni | 22,000+ overall students | 11,000+ international students
6 continents | 120+ countries

5-star graduate salary

Our postgraduates earn a salary within the top 20% in Australia
(The Good universities Guide, 2022)

for graduate employment

Ranked 2nd in Australia for overall employment of international undergraduates who have graduated
(QILT, Quality Indicators for Learning and Teaching, 2021).

for quality of education

Our students ranked us 7th in Australia for Quality of Entire Education Experience
(QILT, Quality Indicators for Learning and Teaching, 2022)

Certified B Corp university in Australia

We belong to a global community of companies committed to inclusivity and sustainability.

industry placements

Students have access to thousands of industry placement opportunities with top-tier employers.

fastest-growing university in Australia

Bold, modern and agile, we're constantly evolving. With our national campus network, you can choose where to study.

Graduate work-ready

We believe in delivering an educational curriculum that balances skills training, academic study and professional development. That's why our courses combine university teaching with industry experience and individual coaching. When you graduate from Torrens University, you'll have the knowledge and network to launch your career and transition into others.

A dedicated Success Coach

Your Success Coach will guide you throughout your studies, and help you reach career goals.

Industry placements

Hands-on experience, client briefs and industry placements set you up for career success.

Industry-connected experts

Stay on top of the latest trends, techniques and technologies with guidance from our leading academics.

Employability

Choose from 300+ courses

You are spoilt for choice with more than 300 industry-relevant courses – all designed to build work-ready skills.

Soft skills

Future-proof your career with transferable skills you can directly apply to the workplace in all industries.

Smaller classes

Our small class sizes provide a more immersive, collaborative learning environment.

5-star graduate salary

Our postgraduates earn a salary within the top 20% in Australia (The Good Universities Guide, 2022)

Industry placements

We partner with organisations across a range of industries, so you'll be gaining genuine insights in situations that reflect your global career goals. You'll graduate ready to work, with the competitive edge to help land your dream job.

Your connection to industry

- Collaborate on briefs for actual clients with our industry partners
- Work in clinics, creative studios, five-star hotels and elite restaurants
- Train with industry practitioners who have expert skills and experience

Support from day one

We offer a range of student support services to make sure you get the most out of university life – from your first day all the way through to graduation.

Career success

Our Careers Connect platform is where employers advertise exclusive internships and work placements. It's where you can find help with your job search, from writing CVs to preparing for interviews.

Student support services

Our dedicated staff are here to help you settle into Australia and university. They will provide ongoing support from your very first day with us.

Wellbeing and diversity

We are committed to creating a healthy, safe and respectful culture that celebrates diversity. Our personal counsellors are on hand to talk you through any study or personal issues you may face.

Student representatives

Student Ambassadors represent Torrens University at activities and events, and the Student Representative Council (SRC) ensures student voices are heard, bringing the community to life.

Student app

Stay on top of subjects and timetables, connect to campus maps, and access resources from global learning partners, libraries and platforms.

Orientation sessions

An opportunity to meet classmates, academics and support staff, Orientation covers everything you need to know before you begin your studies, from online tools to campus facilities.

English language support

With our English programs, you'll improve your communication skills, ability to learn in an academic environment and employment opportunities.

Disability services

If you have an ongoing health condition or learning disability, or if you're the primary carer for a person with a disability or medical condition, our Disability Liaison Advisors can provide you with academic adjustments and other support services.

Visit the Student Hub

Stay up to date with important events, key dates, workshops and campus news. Access your learning platforms as well as information about your course.

Scholarships

We understand how important education is in reaching your full potential. Each year we award scholarships to new international students across all areas of study, so that everyone has the chance to pursue their ambitions.

View scholarships, eligibility requirements and instructions on how to apply here:

“

Apart from the financial aspect, being awarded a scholarship gave me a sense of encouragement – because the documents I submitted when I applied proved why I deserved it.”

Xiangting Xu
Master of International Hotel Management
China

Experience the very best of student life

Meet new people, broaden your horizons and make the most of your time as a student with us.

Student life at Torrens University is active, engaged and varied, with a wide range of activities, events and opportunities that will enrich your experience.

When you become a member of UniSport Australia or join our rapidly growing Esports community, not only do you participate in local and national competitions – you make new friends, too.

Listen to our podcasts and read our Student Voice newsletter to stay up to date with all the ways you can connect with like-minded peers.

Meet María José Ramos Tercero Flores from Universidad Anáhuac México.

María took advantage of our exchange program, choosing to study a Bachelor of Branded Fashion Design with Billy Blue College of Design at Torrens University Australia at our Ultimo campus in Sydney.

We love following journeys like María's and welcoming exchange students from partner institutions around the world.

Acknowledgment of Country

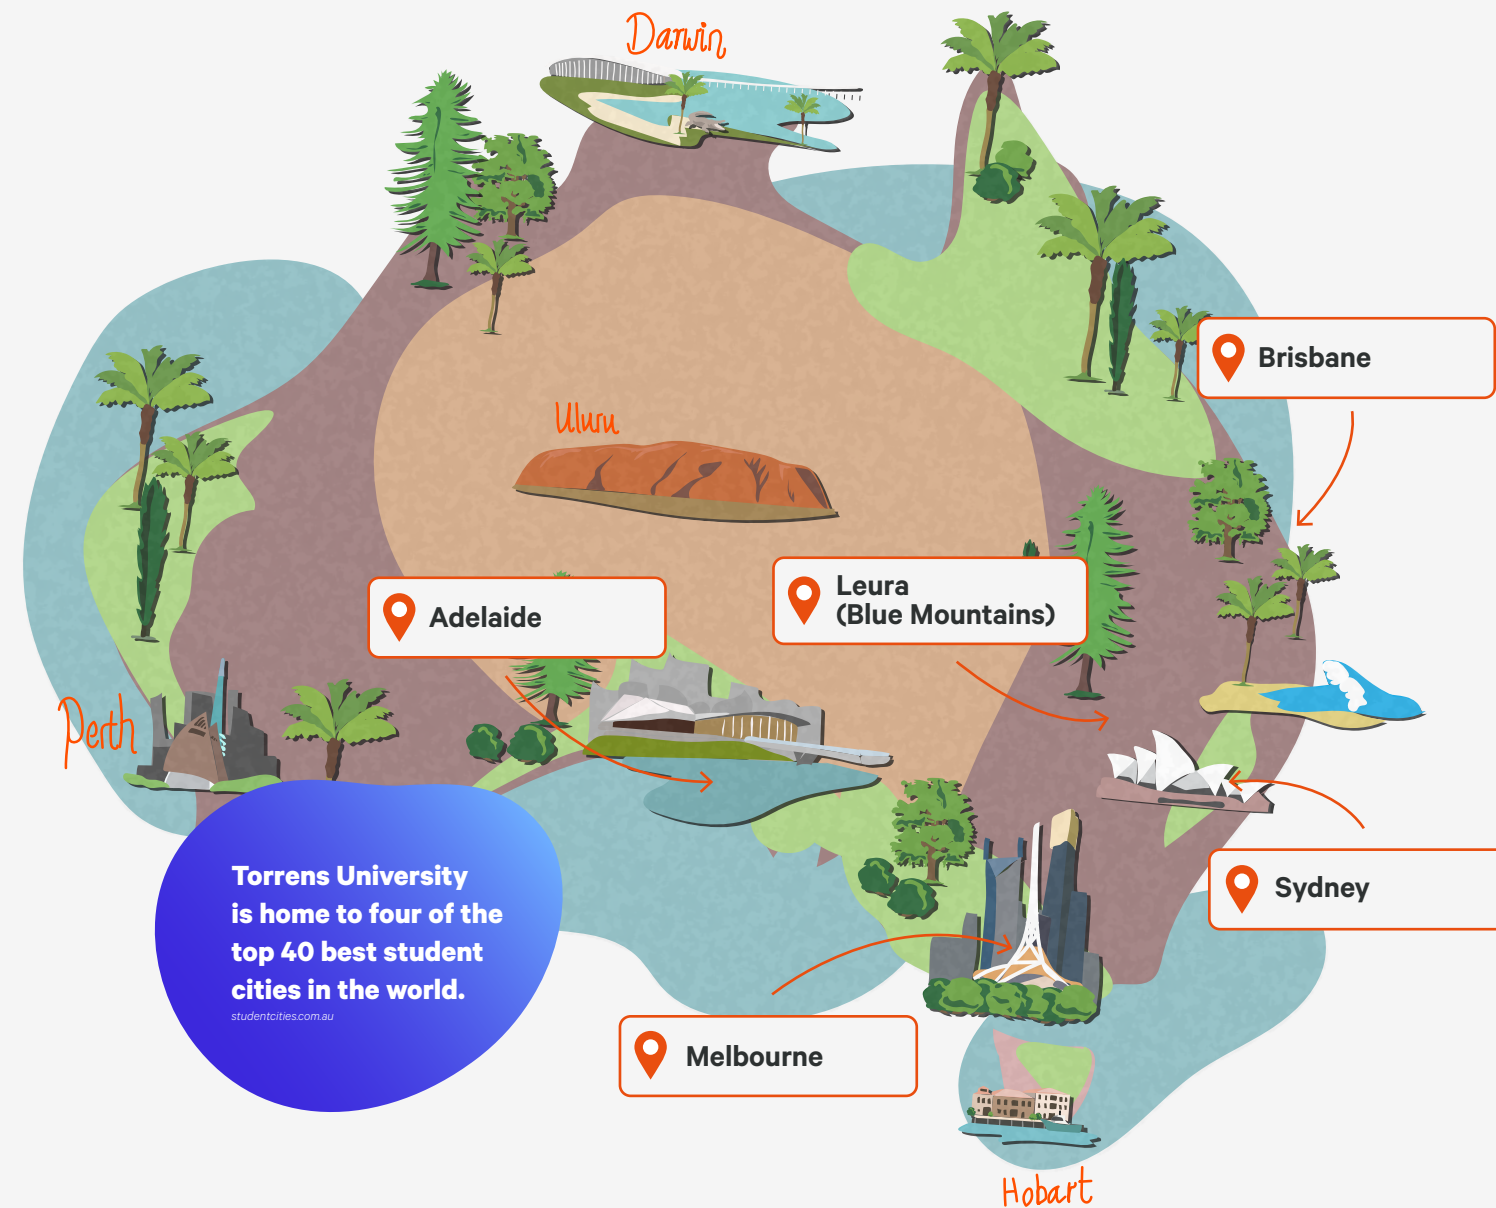

Torrens University Australia acknowledges the Australian Aboriginal and Torres Strait Islander peoples as the first inhabitants of the nation and the Traditional Custodians of the lands where we live, learn and work. We respectfully acknowledge their Ancestors and Elders, past and present.

Samantha "Sammy" Hill, a Koori woman of Dharawal and Wandandian Country lineage.

Our campus locations

Nationally focused, internationally connected.

We acknowledge the Traditional Owners of the lands on which our campuses stand.

Sydney campuses The Gadigal people

Ultimo

Design & Creative Technology

📍 46–52 Mountain Street, Ultimo, Sydney

Inside this revamped campus, you'll find everything you need to craft your future. You won't just work in classrooms – you'll flourish in creative studios and professional spaces that mirror your future world of work.

- Heritage building located in the epicentre of Sydney's creative culture
- Purpose-built study hubs including digital media lab, photo-imaging studio, craft workshop and fashion studio
- Creative pods for learning, collaboration and entrepreneurship

Surry Hills

Business, Health, Hospitality and English Language

📍 17–51 Foveaux Street, Surry Hills, Sydney

Purpose-built and cutting edge, our Surry Hills campus is designed to enhance your education, offering modern facilities and the latest technologies to complement your studies.

- Work-Integrated Learning facilities, including a simulated hotel room and our student-led clinic, The Practice Wellbeing Centre
- Multi-purpose learning spaces, including a Learning Resource Centre (library)
- Student Services support

The Practice Wellbeing Centre

📍 17–51 Foveaux Street, Surry Hills, Sydney

The Practice Wellbeing Centre offers a unique and holistic approach to health in Naturopathy, Western Herbal Medicine, Counselling and Nutrition under one roof. This is a student-led clinic offering the latest approach and techniques at affordable prices. All sessions are supervised by qualified and experienced practitioners.

- Clinical labs with simulation rooms and equipment
- All sessions are supervised by qualified and experienced practitioners.

Leura (Blue Mountains)

Melbourne

Leura (Blue Mountains)
**Hotel Management
and English Language**

📍 1 Chambers Road, Leura, NSW

Located 1.5 hours from Sydney on six hectares of landscaped private gardens, our Leura (Blue Mountains) campus combines hotel living with world-class learning. Immerse yourself in the operations and culture of hotel management and hospitality.

- Live and learn in a simulated hotel environment
- Surrounded by World Heritage-listed national parks and 1.5 hours from Sydney
- Non-stop support with a 24/7 Duty Manager available to help students

Australia's cultural hub is rated among the world's most liveable cities for students, meaning you and your studies will flourish here.

Melbourne is often called Australia's cultural capital, hosting endless options such as the Australian Open, Australian Football League matches and world-renowned music, arts and literary festivals.

You can walk along the Yarra River, have a picnic in the Royal Botanic Gardens and go swimming at St Kilda Beach. Travel outside the city across the Great Ocean Road, visiting the Twelve Apostles along the way.

Our campus is in the heart of the CBD, so you'll always be near art galleries, restaurants and café precincts, and be connected to business and industries.

**Business, Design & Creative
Technology, Health, Hospitality
and English Language**

📍 196 Flinders Street, Melbourne

The Practice Wellbeing Centre

📍 25 Victoria Street, Fitzroy, Melbourne

Our sustainable and inclusive campuses have state-of-the-art facilities. Immerse yourself in a forward-thinking learning culture with an open-door policy that means you'll always feel comfortable getting the most out of your studies.

- High-tech facilities including photography studio and sewing machine labs
- Clinical labs with simulation rooms and equipment
- Our student-led clinic, The Practice Wellbeing Centre, is located in the inner-city suburb of Fitzroy

Brisbane

When you choose to study in Brisbane, you will find a home in one of Australia’s warmest states.

International students enjoy 300 days of sunshine per year and nearby holiday destinations such as the Gold Coast and Sunshine Coast, as well as Australia’s favourite theme parks. Brisbane boasts a great balance of vitality, lifestyle, affordability and employability.

Brisbane is one of the fastest-growing cities in Australia. It was recently named the host of the 2032 Summer Olympic and Paralympic Games, creating a wealth of excitement and opportunity.

Our campuses are on the fringe of the city’s CBD, in the colourful cultural and business precinct of Fortitude Valley, overlooking the Brisbane River. It is the ideal place to spend your time at university.

Business, Design & Creative Technology, Health, Hospitality and English Language

📍 90 Bowen Terrace, Fortitude Valley, Brisbane

Health

📍 123 Gotha Street, Fortitude Valley, Brisbane

Our cutting-edge campuses are the perfect place to complete your studies. Here you will find the latest digital technologies, open learning spaces and social connections to ensure you achieve your goals.

- Collaborative learning spaces, allowing students to share knowledge and form connections
- 24/7 access to computer lab
- State-of-the-art facilities including photography studio, sewing machine labs and project studios

Adelaide

With a low cost of living, vibrant cultural scene and an extra year of post-study work rights, it’s no wonder students choose Adelaide.

This city is where the Torrens University story began. Our Adelaide campus was designed for a single purpose: to deliver a world-class student learning experience.

You will be close to Adelaide Oval, Adelaide Botanic Garden, beautiful coastline and the world-renowned Kangaroo Island, which has native bushland, exotic wildlife and plenty of opportunities for exploration.

Business, Design & Creative Technology, Health, Hospitality and English Language

📍 88 Wakefield Street, Adelaide

Hospitality

📍 22 Pulteney Street, Adelaide

Located in the Central Business District, our campuses offer the latest digital technologies and an integrated English Language Centre.

- Dedicated study areas, breakout pods and relaxation zones
- Clinical labs with simulation rooms, high-fidelity mannequins and state-of-the-art equipment
- Our Pulteney Street campus is exclusively focused on students studying International Hotel Management

Accommodation

If you're moving to a new city to start university, where to live is one of the most important decisions you need to make.

Off-campus living

Torrens University can assist you by recommending accommodation, or you can organise your own private housing in your city and surrounding suburbs.

Short-term accommodation

Backpackers' hostels, hotels or serviced apartments can be good options while you become familiar with your new city and seek longer-term accommodation.

Homestay

Homestay is an accommodation option where you live with an Australian family while you study. In exchange for a small weekly fee, the host family provides all your basic needs. Find out more at: homestaynetwork.org

Private rental or share house

You can rent a property on your own or with friends. This can be arranged privately or through a real estate agent. It's important that you inspect a property before moving in.

Purpose-built student accommodation

Student accommodation is close to campus, and can include electricity, water, internet and furniture in the rate. You may share a bathroom and kitchen, or have your own.

Scape

Torrens University has partnered with Scape Student Living to provide special rates and a limited number of guaranteed beds. For safe, fully furnished, all-inclusive rooms and apartments, visit: scape.com.au/scape-torrens

On-campus living

A 1.5-hour drive from Sydney, our Leura campus in the Blue Mountains is home to first- and second-year undergraduates studying International Hotel and Resort Management. Students live in hotel-style rooms while completing practical training.

During residential terms, all main meals are provided three times a day. After hours, the wellbeing of students is the responsibility of the Duty Manager, who can be contacted 24/7.

Studying online

Enjoy a rich, varied and interactive student experience while studying online.

Ultimate flexibility

With the option to study full time or part time and all your course materials available online, you can tailor your course to suit your lifestyle.

Personalised attention

Receive guidance from academics, learning facilitators and Success Coaches.

On-demand learning

24/7 access to your course content when you need it.

Support services

You will have access to the same support, learning resources and benefits as you would if you were studying on campus.

Course overview

Business

“I believe that students should aim to begin with an end goal in mind for what they hope to achieve in work and life. Teaching at Torrens enables me to engage students on this journey of clarifying how to achieve their goals. The smaller classrooms, industry engagement, and success coaching work together to make this possible.”

- Master the theory of PlayStation® architecture and porting a project to the platform

Duration: 3 years

📍 Location: Sydney, Melbourne, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Game Design and Development, 1 year full time, CRICOS: 102263F

Associate Degree of Game Design and Development, 2 years full time, CRICOS: 102265D

Industry partners and applications:

Finalist for the Australia China Alumni Award (Arts and Creative Industries)

“Lecturers have industry experience, give very good insights and understand what we could experience after graduation. This prepared me for what to expect in the industry. As my course was more all-rounded and not specifically about design, I was able to expand my career possibilities rather than narrow it down to one specific role.”

Katherine Jiang

Bachelor of Branded Fashion Design, Australia

East meets West collection created by Katherine Jiang

Bachelor of Branded Fashion Design

CRICOS: 090293C

Learn what it takes to design patterns and turn them into clothes so you can be a force in fashion.

Course highlights:

- Investigate the theory behind sustainable and ethical fashion design and marketing
- Learn a variety of cutting, sewing and finishing techniques and terminology, and their impact on shape and form
- Master concept development, fabric manipulation and draping
- Graduate with the digital skills to produce industry-standard technical drawings, design line sheets, lookbooks and social collateral
- Create and manage the integrity and positioning of a brand
- Experiment with both classic and cutting-edge techniques and technologies
- Create relationships with the industry partners
- Create a professional Bill of Materials and industry-standard tech and specs pack
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Branded Fashion Design, 1 year full time, CRICOS: 107018A

Associate Degree of Branded Fashion Design, 2 years full time, CRICOS: 090286B

Industry partners:

Potential careers:

Fashion Designer

Average salary range: \$64,000–\$94,000 AUD

Fashion Buyer

Average salary range: \$65,000–\$98,000 AUD

Merchandise Planner

Average salary range: \$82,000–\$122,000 AUD

Potential careers:

Brand Manager

Average salary range: \$88,000–\$149,000 AUD

Product Developer

Average salary range: \$99,000–\$202,000 AUD

Merchandise Planner

Average salary range: \$88,000–\$119,000 AUD

Bachelor of Fashion Marketing and Enterprise

CRICOS: 108076E

Prepare yourself to be the next-generation leader in the fashion industry.

Course highlights:

- Distinguish between ethical and unethical marketing and enterprise management practices
- Understand the fashion industry's impact on local and global communities
- Demonstrate thought leadership and meaningful action for entrepreneurial and social enterprise pursuits across the broader fashion industry
- Solve unpredictable and/or complex marketing and management problems
- Use research and critical thinking to evaluate information and respond to complex issues, anticipating user behaviour and preferences

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Fashion Marketing and Enterprise, 1 year full time, CRICOS: 108078C
Associate Degree of Fashion Marketing and Enterprise, 2 years full time, CRICOS: 108077D

Industry partners:

Bachelor of
Film and Video

CRICOS: 103347E

Enrich your creativity and storytelling abilities through moving images.

Course highlights:

- Develop skills in live action camera-based video production, with a focus on storytelling and cinematography
- Build a foundation of skills in visual effects, motion graphics, sound design, scriptwriting and compositing
- Plan and design for the best production outcomes in advance with the latest innovations in the film and production industry
- Graduate with a professional portfolio and work experience to give you a kick-start in the industry
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

📍 Location: Sydney

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Film and Video, 1.5 years full time, CRICOS: 103349C

Associate Degree of Film and Video, 2 years full time, CRICOS: 103348D

Industry partners:

Potential careers:

Videographer

Average salary range: \$81,000–\$111,000 AUD

Digital Producer

Average salary range: \$83,000–\$115,000 AUD

Concept Artist

Average salary range: \$39,000–\$123,000 AUD

Potential careers:

Design Strategist

Average salary range: \$120,000–\$135,000 AUD

Art Director

Average salary range: \$92,000–\$150,000 AUD

Service Designer

Average salary range: \$112,000–\$157,000 AUD

Bachelor of
Communication Design

CRICOS: 090295A

Focus on the creation of visual messages, ideas and information for a range of audiences.

Course highlights:

- Explore typography, image generation and information design
- Explore packaging and branded environment design for end-user needs
- Focus on creating messages, designs and integrated concepts for a range of clients, contexts and audiences
- Refine strategic thinking, design process and brand development skills to solve real-world problems
- Graduate with work experience and a professional portfolio
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Communication Design, 1 year full time, CRICOS: 090303F

Associate Degree of Communication Design, 2 years full time, CRICOS: 090287A

Double degree with Bachelor of Business, 4 years full time, CRICOS: 090257G

Industry partners:

“Having the opportunity to be in a creative environment like this makes me dream more, and understand that anything is possible.”

Valentina Marin Sanchez

Bachelor of Communication Design, Colombia

Bachelor of
Interior Design (Commercial)

CRICOS: 105417B

Learn the role of emerging technologies in the commercial world of interior design.

Course highlights:

- Bring your designs to life and discover how commercial interiors can engage an audience
- Design, develop and document commercial interior design projects
- Learn 3D-modelling software for spatial projects
- Explore the importance of implementing environmentally sustainable practices
- Learn the professional practice and documentation techniques to build and install your future designs
- Graduate with work experience and a professional portfolio to walk into any design studio interview with confidence
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

📍 Location: Sydney, Melbourne, Brisbane, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Interior Design and Decoration, 1 year full time, CRICOS: 092484B

Associate Degree of Interior Design (Commercial), 2 years full time, CRICOS: 105418A

Double degree with Bachelor of Business, 4 years full time, CRICOS: 090260A

Industry partners:

Potential careers:

Interior Designer

Average salary range: \$73,000–\$110,000 AUD

Retail Designer

Average salary range: \$74,000–\$163,000 AUD

3D Computer Modeler

Average salary range: \$70,000–\$99,000 AUD

Toy Rumble- created by Isabella Bonazza, Daniel Pieri, Ryan Holm, Nathan Ivanof and Xavier Managreve

Bachelor of
Interior Design (Residential)

CRICOS: 105419M

Residential interior design is a language that speaks to the notion of a home as both a physical and mental place.

Course highlights:

- Create future-ready residential interior design solutions that embrace new technologies and redefine how we live our lives
- Learn industry-standard software and design tools used by designers across the globe
- Understand the facets of residential interior design including product sourcing and the impact of materials, joinery and technology systems
- Build business and social enterprise skills
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Interior Design and Decoration, 1 year full time, CRICOS: 092484B

Associate Degree of Interior Design (Residential), 2 years full time, CRICOS: 105420G

Double degree with Bachelor of Business, 4 years full time, CRICOS: 090262K

Industry partners:

Potential careers:

Interior Designer

Average salary range: \$73,000–\$110,000 AUD

Residential Designer

Average salary range: \$73,000–\$120,000 AUD

Property Stylist

Average salary range: \$59,000–\$75,000 AUD

Potential careers:

UI Designer

Average salary range: \$93,000–\$150,000 AUD

UX and Web Designer

Average salary range: \$109,000–\$168,000 AUD

Front-end Developer

Average salary range: \$100,000–\$156,000 AUD

Bachelor of
UX and Web Design

CRICOS: 103344H

Are you passionate about the role of human psychology in designing user interfaces?

Course highlights:

- Learn the fundamentals of a wide range of languages used in front-end development such as HTML, CSS, JavaScript, jQuery, Python, PHP and modern frameworks such as Greensock, React and Vue
- Cover the theory and practice of contemporary UX design including the psychological elements of decision-making and digital interaction
- Craft compelling interactive experiences for web, mobile and social media
- Strengthen your design, scripting and development skills
- Develop strategic thinking skills to approach problems from different perspectives
- Graduate with a professional portfolio and work experience
- Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

Location: Sydney, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian Year 12 or equivalent; and
- Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of UX and Web Design, 1.5 years full time, CRICOS: 103346F

Associate Degree of UX and Web Design, 2 years full time, CRICOS: 103345G

Industry partners:

AnalogFolk

*Course is recognised by the Design Institute of Australia

Double degrees

Struggling to decide whether to pursue a career in the creative or business industries? Have dreams of starting your own creative business? Our Design and Business double degrees could be your perfect option. Plus, you can graduate in as little as three years, so you can start your career as soon as possible.

For more details about these courses, please visit the course snapshot on page 107.

Bachelor of
Business and Bachelor of
Communication Design

CRICOS: 090257G

Bachelor of
Business and Bachelor of Interior
Design (Commercial)

CRICOS: 090260A

Bachelor of
Business and Bachelor of Interior
Design (Residential)

CRICOS: 090262K

“

I learnt to develop my creativity, explore my ideologies and express them through different medium. I have become more innovative to solve design problems. I believe I have made the right choice to study at Billy Blue College of Design at Torrens University.”

Bruna Guimaraes

Bachelor of Interior Design, Brazil

Potential careers:

- App Developer
Average salary range: \$70,000–\$180,000 AUD
- Video Game Programmer
Average salary range: \$75,000–\$108,000 AUD
- C++ Programmer
Average salary range: \$83,000–\$120,000 AUD

Bachelor of
Software Engineering
(Game Programming)

CRICOS: 093341J

Thanks to our partnership with Sony Computer Entertainment Europe (SCEE), you will develop games using the PlayStation® platform through the PlayStation® First Academic Development Program.

- Course highlights:**
- Master C++ and other industry-standard coding languages
 - Acquire skills in engine development and collaborative game creation including game development processes, rapid prototyping and 3D graphic development
 - Specialise in the architecture and pipeline of PS5 and PS Vita systems and learn the proprietary PhyreEngine and optimised game development techniques for the PlayStation platform
 - Research and explore advances in software engineering techniques and technology such as AI and procedural world-building
 - Learn the algorithms, data structures and techniques that underpin expertise in software engineering and game programming
 - Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

Location: Sydney, Melbourne, Online

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian Year 12 or equivalent; and
 - Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Software Engineering, 1 year full time, CRICOS: 102264E

Associate Degree of Software Engineering (Game Programming), 2 years full time, CRICOS: 102266C

Industry partners:

Bachelor of
Software Engineering
(Artificial Intelligence)

CRICOS: 099352B

Work on the front lines of one of the most interesting and expanding fields in software engineering.

- Course highlights:**
- Explore different models for pattern recognition, algorithms and data structures
 - Build a foundation of design skills, including design thinking, human-centred design and secure by design methodologies
 - Master machine learning and deep learning to model and train neural networks to implement a variety of computer vision applications
 - Discover data mining and visualisation
 - Analyse datasets, data preparation, handling missing data, modelling, prediction and classification
 - Work with natural language processing and speech recognition including language modelling, formal grammars, statistical parsing, machine translation and dialogue processing
 - Undergo 120 hours of Work-Integrated Learning

Duration: 3 years

Location: Sydney, Melbourne, Online

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian Year 12 or equivalent; and
 - Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Software Engineering, 1 year full time, CRICOS: 102264E

Associate Degree of Software Engineering (Artificial Intelligence), 2 years full time, CRICOS: 102267B

Industry partners:

Potential careers:

- Machine Learning Engineer
Average salary range: \$99,000–\$240,000 AUD
- Systems Architect
Average salary range: \$119,000–\$167,000 AUD
- Software Engineer
Average salary range: \$100,000–\$165,000 AUD

Potential careers:

- ICT Security Analyst
Average salary range: \$94,000–\$137,000 AUD
- Cybersecurity Analyst
Average salary range: \$101,000–\$138,000 AUD
- Cybersecurity Engineer
Average salary range: \$148,000–\$200,000 AUD

Bachelor of
Cybersecurity

CRICOS: 110736M

Prepare for a career fighting cybercrime in some of the world's most in-demand roles.

- Course highlights:**
- Learn the fundamentals of preventative cybersecurity principles, programs and practices
 - Understand complex cybersecurity requirements in designing innovative ICT solutions, using critical and analytical thinking to secure digital infrastructures
 - Learn to detect vulnerabilities and assess their potential impact on digital infrastructures
 - Learn ethical hacking and penetration testing practices used for proactive and offensive security strategies
 - Develop and construct innovative cybersecurity solutions
 - Identify emerging cybersecurity threats, risks and solutions

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Adelaide, Online

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian Year 12 or equivalent; and
 - Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Cybersecurity, 1 year full time, CRICOS: 110738J

Associate Degree of Cybersecurity, 2 years full time, CRICOS: 110737K

Course developed in collaboration with:
Cisco, Fortinet, IBM, Revio, Allianz

Bachelor of
Information Technology

CRICOS: 108468M

Learn the practical and theoretical knowledge to leverage smart and emerging technologies

- Course highlights:**
- Evaluate and select appropriate technology and design methodologies for the implementation of IT solutions
 - Synthesise cognitive, technical and creative skills to design and develop inventive IT solutions for complex industry applications
 - Communicate IT services and solutions to a diverse audience, ensuring they meet system and user needs
 - Evaluate and recommend emerging IT technologies to deliver creative and human-centric IT solutions

Duration: 3 years

Location: Sydney, Melbourne, Brisbane, Adelaide, Online

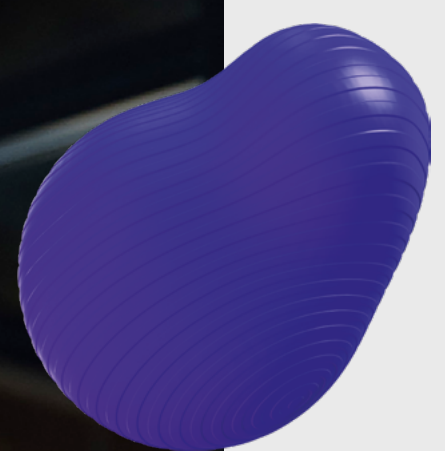

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian Year 12 or equivalent; and
 - Academic IELTS 6.0 (no band less than 5.5) or equivalent

Pathway: Diploma of Information Technology, 1 year full time, CRICOS: 108469K

Potential careers:

- Solution Architect
Average salary range: \$119,000–\$201,000 AUD
- Network Designer
Average salary range: \$158,000–\$193,000 AUD
- Data Engineer
Average salary range: \$105,000–\$160,000 AUD

Design & Creative Technology

“

My degree equipped me with practical skills and knowledge that I can apply to the workplace. With the help of my course, I found my own design approach and improved my communication. My skills make me the right fit for the roles I desire.”

Sunjidmaa Tsogtmagnai
Master of Design (Advanced),
Mongolia

Potential careers:

- Lead Designer**
Average salary range: \$115,000–\$160,000 AUD
- Creative Director**
Average salary range: \$130,000–\$172,000 AUD
- Design Lecturer**
Average salary range: \$108,000–\$149,000 AUD

Master of
Design

CRICOS: 095356G (Standard)

Master of
Design (Advanced)

CRICOS: 088476C (Advanced)

Explore the overlap between design, project management and business disciplines.

Course highlights:

- Build your understanding of strategic processes, use of creative tools and design research
- Explore conceptual challenges and questions of visual expressions in your quest to develop useful, usable and appropriate designs for good
- Discover the convergent space between disciplines and explore the latest design theories, practice and innovation
- Explore aspects of the user experience, the role of design in humanising information, and the aesthetic and practical dynamics of effective global communication and branding

Duration: 1.5 years (Standard), 2 years (Advanced)

Location: Sydney, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian bachelor’s degree or equivalent; and
- Design portfolio of relevant work from area/s of expertise; and
- Written proposal; and
- Resume; and
- Interview; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Graduate Certificate of Design, 6 months full time, CRICOS: 095350C

Graduate Diploma of Design, 1 year full time, CRICOS: 086073E

Industry partners:

VOGUE AGDA

Master of
Cybersecurity

CRICOS: 110792C

Master of
Cybersecurity (Advanced)

CRICOS: 110791D

Protect the digital fortress from a rise in cybersecurity threats.

Course highlights:

- Critically analyse and explain cybersecurity operations and their impact on society
- Assess human and technology requirements, using agile approaches to protect human and digital infrastructures
- Evaluate and leverage emerging cybersecurity tools and methodologies for preventative action
- Develop innovative and agile solutions to defend against cybersecurity breaches and attacks
- Research and evaluate emerging cybersecurity threats, risks and solutions
- Demonstrate ethical and professional leadership in implementing cybersecurity solutions

Duration: 1.5 years (Standard), 2 years (Advanced)

Location: Adelaide, Brisbane, Melbourne, Sydney, Online (Brisbane not available until 2023)

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian bachelor’s degree or equivalent in Information Technology, Business Information systems or relevant disciplines; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Graduate Certificate of Cybersecurity, 6 months full time, CRICOS: 110794A

Graduate Diploma of Cybersecurity, 1 year full time, CRICOS: 110793B

Course developed in collaboration with:

Cisco, Fortinet, IBM, Revio, Allianz

Potential careers:

- Cybersecurity Engineer**
Average salary range: \$148,000–\$200,000 AUD
- Chief Security Officer**
Average salary range: \$153,000–\$227,000 AUD

“

The digital revolution will continue in many industry sectors. The smart information and communications technologies enabled by software engineering will be the new norm in our daily lives and business operations.”

Tony Jan
Associate Professor,
Program Director – Technology

“The subjects and the overall system is designed to provide strong practical knowledge balanced with theoretical. I really enjoy my course.”

Ruben Mkrtchyan
Master of Software Engineering
(Artificial Intelligence, Advanced), Armenia

Data Scientist

Average salary range: \$102,000–\$156,000 AUD

Master of
Information Technology
CRICOS: 107046H (Standard)

Master of
Information Technology (Advanced)
CRICOS: 107045J (Advanced)

Develop advanced information technology skills and master Industry 4.0 technologies.

- Course highlights:**
- Review current and emerging technologies and system trends, with a focus on human-centred design
 - Apply cognitive and technical skills innovatively and ethically to research, critique, examine and solve complex real-life problems
 - Critically analyse problems and communicate solutions to a diverse range of audiences
 - Integrate IT concepts and industry best practices to solve commercial problems, and manage complicated projects involving industry standard tools and techniques

Duration: 1.5 years (Standard), 2 years (Advanced)

Location: Adelaide, Brisbane, Melbourne, Sydney, Online

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian bachelor's degree or equivalent in Information Technology or relevant disciplines covering studies in programming, computer networks, database and web development; and
 - Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Graduate Certificate of Information Technology, 6 months full time, CRICOS: 107048F

Graduate Diploma of Information Technology, 1 year full time, CRICOS: 107047G

Choose Design & Creative Technology courses

Master of
Software Engineering (Artificial Intelligence, Advanced)
CRICOS: 099353A

Improve your career prospects with this industry-leading course on Artificial Intelligence.

- Course highlights:**
- Master and combine cognitive, technical and creative skills to tackle complex commercial software engineering problems with innovation and ethical practice
 - Investigate advanced software engineering techniques
 - Explore and question the foundational principles of your field
 - Synthesise and abstract mathematical concepts, artificial intelligence fundamentals and industry best practices to solve varied commercial problems
 - Master data science, machine learning and deep learning skills and push the boundaries of software design in search of game-changing advances

Duration: 2 years

Location: Sydney, Melbourne, Adelaide, Online

Study options: Full time or part time on campus, online or blended

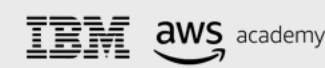

- Entry requirements:**
- Australian bachelor's degree in a relevant field of study or equivalent; and
 - Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Graduate Certificate of Software Engineering, 6 months full time, CRICOS: N/A

Graduate Diploma of Software Engineering (Artificial Intelligence), 1 year full time, CRICOS: N/A

Average salary range: \$100,000–\$165,000 AUD

Release Manager

Average salary range: \$112,000–\$155,000 AUD

Master of
Software Engineering (Cloud Computing, Advanced)
CRICOS: 099355K

Here is your chance to upskill and specialise in the field of cloud computing.

- Course highlights:**
- Work on industry projects and approach wide-ranging topics from an entrepreneurial mindset
 - Expand your critical thinking skills and explore the design thinking, ethics and moral values required
 - Learn techniques and best practices in collecting, storing, cleaning, manipulating, analysing, extracting and visualising useful information from large data sets for crucial organisation decisions
 - Master distributed development, DevOps and big data analysis skills and push the boundaries of software design in search of game-changing advances

Duration: 2 years

Location: Sydney, Melbourne, Adelaide, Online

Study options: Full time or part time on campus, online or blended

- Entry requirements:**
- Australian bachelor's degree in a relevant field of study or equivalent; and
 - Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Graduate Certificate of Software Engineering, 6 months full time, CRICOS: N/A

Why Education at Torrens University?

Broaden your expertise through fresh perspectives on teaching with our postgraduate courses in Education. The ability to specialise allows you to build skills and understanding to support individuals with a range of capabilities. With this knowledge, you'll help bring widespread change and raise the standards of education for both students and teachers at local and global levels.

Industry focus

We equip our graduates with industry-recognised skills for a seamless transition into the workforce.

Small class sizes

Get direct and personalised access to our industry-experienced lectures and facilitators.

Flexible learning

We offer flexible learning options, a national network of award-winning campuses, and industry-connected academics.

Our
academic
team

“

What I really love about my job is learning with our enthusiastic postgraduate students across a range of contemporary education interests and needs. The student experiences and application of the practical course content are inspiring.”

Emma Donaldson
Education Lecturer

Education
Learning and Teaching

Graduate Diploma of:

Education

Master of:

Education (Inclusive Education) (Advanced)
Education (Inclusive Literacies) (Advanced)
Education (Leadership and Innovation) (Advanced)

Course overview

Education

Potential careers:

- Special Education Teacher**
Average salary range: \$79,000–\$119,000 AUD
- Disability Support Manager**
Average salary range: \$82,000–\$128,000 AUD
- Education Consultant**
Average salary range: \$84,000–\$129,000 AUD

Graduate Certificate of Education

CRICOS: 113060D

Graduate Diploma of Education

CRICOS: 113069F, 113065K, 113062B

Ideal for professionals from a broad range of backgrounds, you will develop skills and knowledge that you can apply to extend your practice.

Course highlights:

- Practise commitment to social justice to validate positive educational outcomes.
- Evaluate evidence-based practice to drive project-based educational transformation.
- Identify and outline specialised knowledge and skills to design and evaluate inclusive learning environments.
- Interpret technology initiatives to improve local and global educational practice.
- Proficiently implement design-thinking and research skills.
- Model inclusive leadership to impact change in a professional learning context.

Duration: 6 months (Graduate Certificate), 1 year (Graduate Diploma)

Location: Sydney, Melbourne, Online

Study options: Full time or part time on campus, online or blended

Entry requirements:

- Australian bachelor's degree or equivalent; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Master of Education (Inclusive Education) (Advanced), (Inclusive Literacies) (Advanced), (Leadership and Innovation) (Advanced), 2 years full time, CRICOS: 113063A, 113067H, 113059H

Graduate Certificate in Learning and Teaching

CRICOS: 095593F

Focuses on current theories and methods of education, emphasising blended approaches to learning. It delivers a student-centred approach to curriculum design and delivery, stronger communication and the ability to execute education research programs.

Course highlights:

- Learn theories and practices surrounding contemporary teaching and curriculum design.
- Explore behaviours that can help define and overcome obstacles to learning.
- Use various technologies to research and deliver educational material.
- Analyse and review influences, trends and challenges impacting higher education.

Duration: 6 months

Location: Online

Study options: Online only

Entry requirements:

- Australian bachelor's degree (in teacher education) or equivalent; and
- Access to an education setting for the duration of the course and would ideally be engaged in an education-related role; and
- Academic IELTS 6.5 (no band less than 6.0) or equivalent

Pathway: Master of Education (Leadership and Innovation) (Advanced), 1 year full time, CRICOS: 113059H

“Torrens University is a very powerful international teaching university, and pedagogy has a long history. The most important thing is that Torrens University has a perfect online teaching and evaluation system, a strong professional curriculum and an excellent faculty team, all of which meet the fundamental interests of every learner – which is a great advantage of their online courses.”

Song Wenqin
Master of Education, China

“As an educator in the UAE, I wanted to take my career further by helping someone in need. Torrens University has the exact course to advance my skills and fulfill my dream of opening up a special school in my home country, Nigeria.”

Dorothy Nene Steve
Masters of Education
(Special Education, Advanced), Nigeria

Master of
Education (Inclusive Education)
CRICOS: 113064M

**Master of
Education (Inclusive Education)
(Advanced)**
CRICOS: 113063A

This course focuses on problem solving in education, informed by advanced theoretical knowledge from a person-centred perspective.

Course highlights:

- Apply innovative solutions and evidence-based best practice to complex educational opportunities and challenges.
- Proficiently implement design thinking, research skills and technology initiatives to improve local and global educational practice.
- Justify and communicate complex educational problems to optimise inclusive teamwork.
- Practise commitment to social justice to validate positive educational outcomes.
- Model inclusive leadership to impact change in a professional learning context.

Why Health and Nursing at Torrens University?

Practical experience is a hallmark of our innovative educational philosophy. We are committed to leading research and finding solutions to the world's health challenges. You will graduate with the confidence and ability to handle yourself in the real world.

Future-focused, with a solid past

Our respected health qualifications come backed by more than 60 years of excellence, and a strong emphasis on the needs of tomorrow's industry.

The highest level of practical experience

Develop clinical skills, access the latest technology and improve client wellbeing at work placements.

Graduate job-ready

Our programs are designed and taught in partnership with the health industry, by educators who are still actively working and know what the system requires most.

English courses

Choose English courses

Course overview

English

English for Academic Purposes (EAP 1 and 2)

CRICOS: 098575F, 098576E

Develop your academic English language skills and prepare for university entry and success, while studying in a friendly and supportive environment.

Course highlights:

- This course is specifically designed to prepare students to transition into a university degree
- Students wanting to develop their academic English and study skills, to prepare effectively for undergraduate or postgraduate study at an Australian university
- We cover topics such as research skills, paraphrasing and summarising, referencing, and academic integrity
- There is continued focus on improving your skills in reading, writing, listening, and speaking as well as language development work

Duration: 10 to 30 weeks

Location: Sydney, Melbourne, Brisbane, Adelaide, Online

Entry requirements: Minimum entry IELTS (or equivalent) 4.5 and above

Graduate outcomes:

- On successful completion you can progress into higher education courses at Torrens University
- Learn to refine your research and referencing skills
- Produce written assessments to Australian university standards
- Develop the skills required to participate fully and successfully in an Australian academic environment

Our expertise in English language education has been accredited and recognised by industry:

Graduate outcomes:

- Confidence in communicating in English
- Improve reading, writing, speaking, and listening ability
- Improve your employment opportunities both in Australia and globally

General English (Elementary to Advanced)

CRICOS: 0101786

Learn the core skills to communicate confidently in English, including reading, writing, speaking and listening.

Course highlights:

- Studying General English is fun, interactive, and portable
- Tailored to all levels of English learners
- Students wanting to improve their English skills whilst living or holidaying in Australia
- People who enjoy hands-on and interactive learning
- Students seeking flexibility

Duration: 10 to 40 weeks

Location: Sydney, Melbourne, Online

Entry requirements: Minimum academic IELTS 2.5 or equivalent

“After completing the Academic English course, I’ve learnt a lot of new things and experienced a new way of learning - how to speak in public and debate confidently. I am more confident speaking English and able to apply my skills in class presentations and interviews.”

Hieu Xuan Leu

English for Academic Purposes and Bachelor of Software Engineering (Artificial Intelligence), Vietnam

Entry, English language and visa requirements

Get the qualification you want with our pathway options

Consider one of our pathway programs if you require an alternative method of entry into your chosen course.

Entry requirements

To study a degree at Torrens University, you must satisfy the general entry criteria and meet any additional course requirements where specified.

We recognise qualifications from other countries and education systems (eg. GCE A-Levels, International Baccalaureate and SAT) and assess students who have completed Australian equivalent qualifications.

If you don't meet the entry requirements for direct admission into our courses, you can apply for a pathway program (see next page for more details).

Students who have partially completed a degree can apply for direct admission with a credit transfer. You may see this referred to as "advanced standing", "exemptions" or "recognition of prior learning".

English language requirements

Entry to all courses calls for proficiency in English under the English Language Proficiency Requirements. Torrens University Language Centre (TULC) provides a pathway towards a higher education course. After successfully completing English for Academic Purposes at TULC, you can progress to your chosen degree.

Some courses may require a higher overall score/sub-score(s) for entry. These requirements are shown in accordance with the IELTS academic test requirements. We also accept other English tests. Students will generally need to have achieved one of the following for entry into their chosen course:

- International English Language Testing System (IELTS) minimum score 5.5
- Test of English as a Foreign Language (TOEFL) minimum score 46
- Cambridge English: Advanced minimum score 162
- Pearson Test of English Academic (PTE Academic) minimum score 42

Visa requirements

As an international student, you can apply for a student visa once you have:

- Confirmation that you have been accepted to study at Torrens University
- Overseas Student Health Cover (OSHC)
- Confirmation of Enrolment (CoE)

For more details about visa options and requirements, please refer to: homeaffairs.gov.au

Online courses

International students must not enrol in more than one-third (33%) of online subjects over their course and must study at least one face-to-face subject each study period. Please note that due to COVID-19, authorities have provided exceptions to the usual face-to-face learning requirements. For more information, visit: studyaustralia.gov.au

International students on a student visa are required to study full time, ie. the student must complete a minimum of 1.0 EFTSL of study per year.

Students under 18

If you are under 18, have an offer to study with Torrens University, and plan to travel to Australia on a student visa, you will need to have formal arrangements in place for accommodation and welfare before the Department of Home Affairs will process your visa. We are guided by requirements set out in the ESOS Framework. For more information about studying in Australia when you are under 18, visit: homeaffairs.gov.au

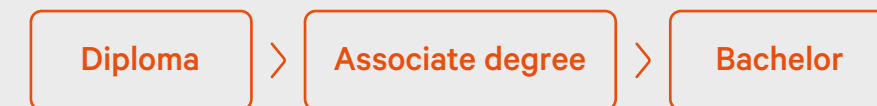

Overseas Student Health Cover

It is a student visa condition that you have Overseas Student Health Cover for the duration of your stay in Australia. OSHC will contribute towards any medical and hospital expenses that you may incur.

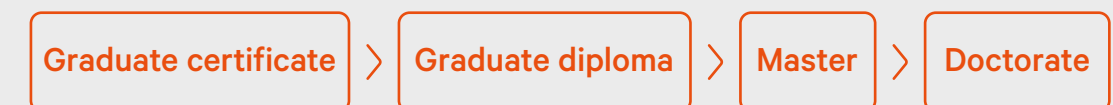

English Language course

English for Academic Purposes 1 (Intermediate) and English for Academic Purposes 2 (Advanced) prepare students to transition into a university degree. The courses run from 10 to 30 weeks, and on successful completion you can progress into your chosen program at Torrens University.

For an undergraduate degree

For a postgraduate degree

Qualification pathways

If you have already completed a qualification, you may be able to credit this against your degree with us – even if it's from another institution. We will carefully review the learning gained from this qualification to ensure we provide you with credit towards our degrees whenever appropriate.

Recognition of prior learning

Learning as the result of work or life experience, self-tuition, hobby or leisure activities (ie. informal learning) or a structured course that does not lead to an officially accredited qualification (ie. non-formal learning) may be credited against your degree with us. Each application is assessed individually, and your experience matched to the learning outcomes of the subjects covered in your course. All claimed work experience must be relevant to the qualification being applied for, and you must provide evidence to support an application for credit based on informal and/or non-formal learning.

Get online

torrens.edu.au/how-to-apply/course-credits
to learn more about course credits.

How to apply

1. Find your course

You can explore our range of courses in this guide and online at torrens.edu.au/courses.

For more information, contact us at torrens.edu.au/contact-us or visit one of our authorised Education Agents.

2. Check entry requirements and pathway options

Find course-specific criteria at torrens.edu.au/how-to-apply/admissions-criteria. If you need support to meet your entry requirements, Torrens University provides English Language and pathway programs. Contact us for more details at: torrens.edu.au/contact-us

3. Gather your documents

You will need to attach supporting documentation with your application form. This can include certified copies of academic transcripts, English language proficiency and your passport. Be sure to also include a statement of purpose, CV and credit transfer application if required.

4. Submit your application

We accept applications throughout the year. International students can apply directly at apply.torrens.edu.au/apply-now or through one of our Education Agents.

5. Accept your Letter of Offer

Once your application has been assessed and if you're successful, we will provide you or your nominated Education Agent with a Letter of Offer and Written Agreement via email. You need to check that the details are correct, complete the payment section and provide any other documentation if requested, before you sign and send the documents back to us.

6. Prepare for your studies

After we have received your signed offer and confirmed your payment, we will secure a place in your chosen course and issue an Electronic Confirmation of Enrolment (eCoE). When you receive the eCoE, you will be able to apply for a student visa. Once this visa is granted, you can prepare for your Orientation session and select your subjects. Our International Student Advisors will help you prepare for your first trimester of study.

Find an Education Agent

If you need extra support with your application, our authorised Education Agents can assist you. Our agents are located throughout the world, and will make sure that your application process runs smoothly.

To find a local agent visit: torrens.edu.au/studying-with-us/international-students/international-education-agents

Get online

youtube.com/watch?app=desktop&v=kWabb022G34&t for all the information you need to get started, from accepting your offer to registering for Orientation.

What's on at Torrens University

Find everything you need to know about your study options through our range of events and workshops.

Campus tours

Take a tour of our campuses, either on site or online. Explore our facilities, get a feel for student life and find out what makes us unique.

Open Days and Virtual Open Days

Learn more about our courses, explore your study options and career outcomes, and connect with academics and support staff.

International events

Throughout the year we host a range of events and information sessions for international students.

For on-demand events, head to our

Get online

torrens.edu.au/whats-on
for the latest information about upcoming events.

Future students

You can apply any time throughout the year for the next intake's start date – or a future date if you are planning ahead.

We offer four main intakes per year and two accelerated intakes. Accelerated intakes are shortened study durations with a later start date, and are available for select courses and campuses only.

Students must submit their application forms at least two weeks prior to each intake's start date.

Intake dates are subject to change and may vary depending on your course.

2023 key start dates

Intakes	Start	Census	Finish	Breaks
Main intake 1	20 Feb	10 Mar	14 May	15 May – 4 Jun

*Includes a two-week break for end-of-year holiday period.

Your graduation

On this monumental day, dressed in the traditional mortarboard and gown, you will walk on stage to accept your testamur in front of your family, friends, fellow graduates and industry professionals. During the ceremony, you will hear from inspiring keynote speakers, who will offer insights into what the future holds for you.

Celebrating this milestone is a day you and your family will remember forever.

Watch our graduation videos.

Part of our community

When you begin your studies with us, you join our community for life. We stay connected even after you graduate, keeping you informed about our latest innovations and plans for the future. As a valued member of our global alumni network, your journey beyond Torrens University is just as important to us.

Success from Torrens University Alumni
